BIZ COLLECTION CELEBRATES 30 YEARS OF UNIFORM STYLE

30 Years after our Biz Collection brand was created, we're still as inspired as the day we launched.

We recognize, now more than ever, that uniforms are no longer an afterthought with many businesses embracing the professional 'first impression' impact that well-dressed staff can bring.

Since 1989 our mission to create appealing, on trend designs with more comfort, affordability and ease of care remains. And we've stayed true to our values to become one of the most trusted reliable brands in the uniform & promotional apparel industry.

We hope you continue to love what we do, as much as we love creating it for you!

SIZE GUIDE

BODY MEASUREMENT GUIDE

Biz Collection apparel sizes are designed to fit average industry standards for the below body measurements. Please use this handy Body Measurement Guide to compare your own measurements and help you determine which size to order.

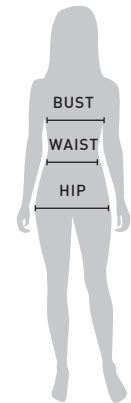

GARMENT TO GARMENT COMPARISON

An alternate method is to compare your own garment size to ours. You can do this by measuring the ½ chest of your garment (laid flat, measured 1cm below the sleeve join, from side seam to side seam) and compare it to ours. Please refer to the individual garment measurements, shown on each style page, to determine your garment to garment size comparison.
